39 Videos Kane and Taka are back with another survival horror title. This time, they take on the monstrosity of a building known as the "Pizza Palace." In Kane and Taka: The Thing is from the Past they will need to delve into the facility's secrets and hunt down their enemy: The Pizza Golem. In a lonely city, a young man suddenly finds himself alone in a world where his very sense of reality is in question. His only way home is a twisted arcade that he soon learns hides a dark secret. As he begins to explore, he soon realizes that the arcade is only the beginning of a sinister plot that may destroy his friends, family, and even the world itself. Yo-kai Watch 2: Shinuchi to Kagami no Mirai is the second game in the popular Yo-kai Watch game franchise and the first game in the Shinuchi to Kagami no Mirai storyline. The setting has been moved from the Japanese countryside to Tokyo and the main protagonists are three new characters. Just as Papa and family are returning from a journey to the Outback, the plucky young Jesse Flynn is lured by the seductive siren of a mysterious blonde city. But the cost of his quest is Jesse's own life. As his nemesis grows closer and dangers increase, Jesse will have to call upon his wits and skills to overcome the sinister forces on his trail. A brand new story begins with the new protagonists, as Jesse is sent to the Hidden Leaf Village with an important mission. Papa is not happy to have Jesse back, and he has a new mission: find the missing Leaf Village's last remaining tree. The journey is not an easy one, and Jesse soon finds himself drawn into a world of spirit magic and underground treasure. He'll need to use his sleuthing skills and his ninja reflexes to take on many other foes. Pokemon Let's Go Pikachu and Let's Go Eevee is an enhanced version of Pokemon Let's Go. It contains the full game, as well as a new set of alternate-art sprites and a new title screen theme. You must help Nick and his partners investigate an underwater research lab where a murder took place. Nick's father had been working there before he disappeared. One of the researchers may be responsible for his disappearance. Team Skull is here to stop them! 82157476af
